

SOUTHERN FLEURIEU HEALTH ADVISORY COUNCIL

Advance Care Directive (ACD) Assist Program

A FREE COMMUNITY SERVICE

What is an ACD?

It is a binding legal document that allows you to record your wishes, preferences and instructions for your future health care, end-of-life care, living arrangements and personal matters.

How do I get information?

An Advance Care Directive DIY Kit and forms can be obtained at minimal cost from Victor Harbor, Alexandrina and Yankalilla Council offices.

Need assistance to complete the paperwork?

Trained volunteers from the Southern Fleurieu Health Service can answer your questions and assist you with filling in the Advance Care Directive form.

Where do I get help?

Volunteers are available to assist you in Victor Harbor, Goolwa and Yankalilla.

How?

Appointments can be made by contacting Southern Fleurieu Health Service on 8552 0600.
